The Mammoth Academy by Neal Layton

Mammoth Review

Oscar and his sister, Arabella, are starting their first year at the Mammoth Academy. Oscar isn’t fond of schoolwork, but he loves learning outdoor sports and becoming best friends with Fox. Things are going wonderfully, until the cook’s oranges are stolen and Oscar spots some MYSTERIOUS TRACKS.

Whatever made the MYSTERIOUS TRACKS has only two feet. Could it be those wild and dangerous animals called humans?

My Personal Review:
A hilarious series of events makes PIPER REED: THE GREAT GYPSY a fun read. Neal Layton's THE MAMMOTH ACADEMY tells of Oscar and his sister, beginning their first year at Mammoth Academy. Oscar isn't fond of schoolwork but he loves outdoor sports and is friends with Fox, until a kitchen theft involves him in a difficult investigation of possible human thieves. A fun tale evolves.
