THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include: * commentary based on THE NEW INTERNATIONAL VERSION; * the NIV text printed in the body of the commentary; * sound scholarly methodology that reflects capable research in the original languages; * interpretation that emphasizes the theological unity of each book and of Scripture as a whole; * readable and applicable exposition.

My Personal Review:
This is a great work by one of evangelicalism's greatest experts on the topic. From a solidly conservative perspective, the author expounds this foundational book of Moses in a highly knowledgeable manner, being well-informed by scholarship from all sources.
