1, 2 Kings Commentary Review

THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include: * commentary based on THE NEW INTERNATIONAL VERSION; * the NIV text printed in the body of the commentary; * sound scholarly methodology that reflects capable research in the original languages; * interpretation that emphasizes the theological unity of each book and of Scripture as a whole; * readable and applicable exposition.

My Personal Review:
Paul House's commentary is a most helpful explanation of the contents of 1 and 2 Kings. I commend it to anyone looking for additional resource in studying either book.
