This collection reprints the legendary tale of how a group of super powered teenagers and sidekicks came together to form the New Teen Titans. Led by Robin, Wonder Girl, Starfire, Cyborg, Raven, the Changeling, and Kid Flash fight side by side against all manners of threats to the world. Including a monumental confrontation with their mentors, the Justice League of America, this book also features their first battle with Trigon the Terrible as well as the first appearance of one of their greatest enemies and sometimes ally, Deathstroke the Terminator.
