The Other Wise Man by Henry Van Dyke

This title is suitable for ages 4 to 8 years. Henry Van Dyke wrote The Other Wise Man in 1896, and since that time, this enduring classic has woven its mystical appeal for countless children and adults. Here Pamela Kennedy retells the story for the young reader, making it easy to understand, while retaining the magic of Van Dykes words. Robert Barretts rich oil paintings create a tapestry of colour that adds to the mystery of the ancient world.

My Personal Review:
This is a very nice retelling (NOTE THAT IT IS NOT VAN DYKES ORIGINAL STORY) of the classic story by Van Dyke. The illustrations are rich and beautiful and the retelling makes the story much shorter and understandable for younger children though the wording is not condescending so is still appropriate for older children, too. It makes it a great bedtime story.
