By focusing on Scripture, The Ryrie NASB Study Bible is designed to enhance a deeply personal study of God's Word. A comprehensive source containing 10,000 concise explanatory notes, in-text graphics, and thorough book outlines, extensive cross-references, expanded topical index and concordance, The Ryrie NASB Study Bible is a complete tool for anyone desiring to know God more intimately.

In addition, you will receive The Moody Library, an ideal Bible software program for Pastors, Teachers, Professors, Students, Bible Study Leaders, and anyone thirsting to learn and understand more fully. Valued at over $400, this DVD was developed by Moody Publishers and WORDsearch™ as an electronic companion to The Ryrie Study Bibles.

My Personal Review:
The Ryrie NASB is a comprehensive Study Bible that will meet all your needs. The Hardcover edition is durable and has a "textbook" like feel to it. I own the Hardcover and Genuine Leather editions. The contents are the same but the Genuine Leather edition is SmythSewn for greater durability.

This Bible really has it all: great print size; book introductions; 10,000 concise explanatory notes; cross references; concordance; maps; Synopsis of Bible Doctrine and helpful articles. The NASB, while not as easy to read as some translations, is a word for word accurate translation. Ryrie’s annotations come from a dispensational point of view and are consistent in their interpretation throughout the Bible. Rather than bog you
down with lengthy discussion and multiple quotations from scholars from then and now, the annotations are succinct and focus on what the scriptures themselves have to say. This makes a huge difference when you want to find information that gets to the point quickly. This is the only Bible I am aware of that has such a detailed and helpful Synopsis of Bible Doctrine.

Overall, highly recommended and very useful!
