The Secret Olivia Told Me by N. Joy

Excellent Teaching Tool To Deal With Rumors, Gossip, And Friendship

Can you keep a secret? Olivia has a secret - a BIG secret. Its a secret that she tells only to her very best friend. And her friend promises she wont say a word. But the secret is really BIG and really Juicy. What happens when a trusted friend slips and the secret gets out?

My Personal Review:
Great book to read to 2-5th graders to teach how harmful rumors, gossip, and secrets can be to friendships. I especially liked the picture of the red balloon which represented the secret. Kids will love this book. Great social story.
