The Tale of Despereaux Movie Tie-In: The Deluxe Storybook

What Fun To Have A Pop Up Version Of The Movie!

Based on the gloriously animated adventure The Tale of Despereaux, this first-class picture book features flaps, pop-ups, moving parts, and even a removable flip book! Children are invited to follow the adventures of Despereaux from the royal library to Princess Peas chamber, the rat-infested dungeon, and beyond.

Kate DiCamillos literary classic about Despereaux Tilling has enchanted children and adults around the globe. In this tale of bravery, forgiveness and redemption, one small creature teaches a kingdom that it takes only a little light to show the truth: What you look like doesn't equal what you are. Published in 23 languages, with more than 2 million copies in print, a New York Times 1 bestseller and winner of the Newbery Medal, The Tale of Despereaux is now animated adventure from Universal Pictures.

My Personal Review:
Candlewick has outdone themselves with this book. There are a nice variety of pop ups in here with a clever set of enhancements to the storyline. This is a beautiful book that captures the charm of the original story. I especially like the tiny little storybook inside. Little details like that were not spared in production, and this will provide delight to children as they review the story, whether from the movie, or the original novel.
