Many were present the night Jesus Christ was born. Joseph and Mary were there, their hearts filled with peace. So were the donkey, the lamb, and the three Wise Men. Even the Star of Bethlehem looked on, casting a single heavenly beam of light upon the scene. This book gives voice to every creature present on that miraculous night and shares their twelve special prayers to the Christ Child.

My Personal Review:
This book is beautifully written. It was spiritually uplifting to read what might have been in the hearts of Mary, Joseph, the Wise Men, shepherds, and even the animals that were witnesses to Christ's birth. Each page is a prayer of a different individual, each with a unique perspective on the happenings of that first night. I would highly recommend it to families as a Christmas Eve read aloud.
