The Underwear Salesman: And Other Jobs for Better or Verse by J. Patrick Lewis

This Zany Book Gives Us A New And Sometimes Hysterical Perspective On Jobs ... "For Better Or Verse!"

Have you ever talked at length with an exterminator? Or had a heart-to-heart with an ice sculptor? Or waxed philosophical with an acrobat? No? Well, look inside.

My Personal Review:
Have you ever thought of what you want to be when you grow up? Or, if you are already grown up, you might want to read a zany little poem about your chosen occupation. There are all kinds of occupations, but this book gives us a unique perspective on them. In this book you will be able to take an amusing look at everything from an acrobat and a belly dancer to the paleontologist and the ventriloquist. Some are short `n some are long, but the are ALL fun!

Toilet's spiffy,
Sink's a shrine,
Mirrors sparkle,
Floors all shine.

This book is soooo funny! I giggled, chuckled and gave off a few hearty laughs over my favorites in this book. They are very original the author must have had a pad of paper on hand at all times to capture his inspiration, which must have come often, to make these rhymes so much fun. The art work changed to suit the occupation and was everything from a mix of collage to watercolor. I enjoyed them all, but I do think youngsters will be wowed by the selection of boxers and briefs the underwear salesman has to offer!
