Wonderful Book!

There is a light inside of you. Let it shine, let it shine, let it shine! This Little Light of Mine is an African-American spiritual dating back to the days of slavery. The score is included in this book so that you can learn to play and sing and shine your light for everyone to see.

My Personal Review:
I was introduced to this book in my musical education class and my classmate who presented it to the class did a really good job. It's a great book to read/sing to people of all ages to show that there is a light in all of us.
