Thriller 2: Stories You Just Can't Put Down: Through a Veil Darkly\Ghost Writer\A Calculated Risk\Remaking\The Weapon

A Very Nice Collection

When some of the top thriller writers in the world came together in Thriller: Stories To Keep You Up All Night, they became a part of one of the most successful short-story anthologies ever published. The highly anticipated Thriller 2: Stories You Just Can't Put Down is even bigger. From Jeffery Deaver's tale of international terrorism to Lisa Jackson's dysfunctional family in the California wine country to Ridley Pearson's horrifying serial killer, this collection has something for everyone. Twenty-three bestselling and hot new authors in the genre have submitted original stories to make up this unforgettable blockbuster. Turn off your phone. Shut down your computer. Say goodbye to your friends and family. Be prepared to read for days.

My Personal Review:
This book provides a great opportunity to sample the very different styles of various authors. Unlike reading a novel, if a particular author does not suit your taste, you can quickly move on to another. And if you do discover someone whose writing captivates you, then you can buy other works.

While not every author in this collection is someone who I would read again, many are, and I enjoyed being exposed to so much writing that I would not otherwise have discovered. This book is definitely worthwhile if you like sampling new authors and expanding your reading horizons.
