By picking up this book, you have already taken a first step toward succeeding in life. But will you take the next step and the next? Will today be the day you finally resolve to do something positive with your life—no matter what difficulties you face?

The world is made up of all kinds of people in all sorts of circumstances. But ultimately, everyone falls into one of two categories: winners or losers—those who succeed and those who fail. Nobody sets out to lose or fail. But often we don’t really know what success means, or how to achieve it personally.

Now there’s help. In this inspiring and uplifting book, Jim Stovall shares easy-to-read, easy-to-put-to-work nuggets of wisdom that he has learned personally by overcoming his own blindness and becoming one of America’s most accomplished entrepreneurs. Each persuasive chapter gives you a practical, positive, powerful insight that can help you successfully negotiate every situation in your life.

Ready to get started learning the winners ways of success? Today’s the Day!

My Personal Review:
I really enjoyed the read. It was easy to follow and great insight that is not new but is powerful in his delivery. I liked that it was small chapters so you could pick up and put it down easily and reference to the information you wanted to review. Not a bunch of unnecessary filler.
