Tough Cookie by David Wisniewski

Sam Spade, move over! In his years on the force, Tough Cookie Busted the Ginger Snaps and broke up the Macaroons. Now living as a private eye at the bottom of the cookie jar, he learns that Fingers has gotten his old partner, Chips. With his best girl, Pecan Sandy, at his side, Tough Cookie sets out to put Fingers away, for keeps! This hilarious spoof will have readers rolling in the aisles.00-01 Keystone to Reading Book Award Masterlist

My Personal Review:
Tough Cookie by David Wisniewski is a departure from his retelling of folktales from various cultures, which the illustrator has done in at least four of his previous books. His book, Golem, won for him a Caldecott award, which is a showcase for his cutwork art talent, however, this book shows his sense of humor and creativity. When reading this book the reader learns that Wisniewski is not only an award winning artist, but he also has a sense of humor too. What a wonderful combination! This book is a crime thriller in which Tough Cookie, a detective, and his girlfriend, Pecan Sandy, must solve the mystery of what is happening to the missing crumbs. It shows how rough life can be at the bottom of a cookie jar, especially when Fingers shows up. It’s a must read for all ages, featuring Wisniewski’s characteristic cutwork illustrations.
