True Colors is New York Times bestselling author Kristin Hannah’s most provocative, compelling, and heart-wrenching story yet. With the luminous writing and unforgettable characters that are her trademarks, she tells the story of three sisters whose once-solid world is broken apart by jealousy, betrayal, and the kind of passion that rarely comes along.

The Grey sisters have always been close. After their mother’s death, the girls banded together, becoming best friends. Their stern, disapproving father cares less about his children than about his reputation. To Henry Grey, appearances are everything, and years later, he still demands that his daughters reflect his standing in the community.

Winona, the oldest, needs her father’s approval most of all. An overweight bookworm who never felt at home on the sprawling horse ranch that has been in her family for three generations, she knows that she doesn’t have
the qualities her father values. But as the best lawyer in town, she’s determined to someday find a way to prove her worth to him.

Aurora, the middle sister, is the family peacemaker. She brokers every dispute and tries to keep them all happy, even as she hides her own secret pain.

Vivi Ann is the undisputed star of the family. A stunningly beautiful dreamer with a heart as big as the ocean in front of her house, she is adored by all who know her. Everything comes easily for Vivi Ann, until a stranger comes to town.

In a matter of moments, everything will change. The Grey sisters will be pitted against one another in ways that none could have imagined. Loyalties will be tested and secrets revealed, and a terrible, shocking crime will shatter both their family and their beloved town.

With breathtaking pace and penetrating emotional insight, True Colors is an unforgettable novel about sisters, rivalry, forgiveness, redemption—and ultimately, what it means to be a family.

The Grey Sisters are ones we can all relate to. Winona, is the oldest sister and one who has never fully felt loved from her father. So, around every corner she seeks his approval. Aurora, is the middle child, the one always wishing for peace amongst everyone putting others before herself. Vivi Ann, is the youngest and the child everyone loves so dearly, someone beautiful on the inside as well as the outside. True Colors, chronicles the lives of the sisters over a decade as they each suffer through heartbreak, found love, lost love and more.

This book had me in tears! I found it to be quite brilliantly written. With the title True Colors, fitting quite well. While, myself and I have never experienced such emotions directed to and at each other as Winona and Vivi Ann did, they were definitely emotions that are that anyone, even brothers can relate to. This book is too good to give away too much, all I can say is please give it a read. I am not one to cry very often but this book opened up the flood-gates for me. I highly recommend True Colors, to family needing to mend broken relationships and for family wanting a way to strength bonds amongst themselves.
