Documents the Davies Collection, National Museum of Wales that consists of an extraordinary group of 19th and 20th century paintings particularly strong in realist and impressionist works. Includes masterpieces by Cezanne, Corot, Manet, Millet, Monet, Pissaro and Van Gogh.

My Personal Review:
Between the 19th and early 20th centuries the art world experienced a revolution in style and approach: TURNER TO CEZANNE: MASTERPIECES FROM THE DAVIES COLLECTION, NATIONAL MUSEUM WALES uses the collection to celebrate the influence of two local Welsh pioneers of change. While this was published to accompany a traveling exhibition, it stands well alone as a powerful presentation and analysis of art trends.
