Comprehensive coverage of more than 75 of America’s greatest automobiles, from the Model T Ford to the ‘57 Cadillac Eldorado and the late ‘60s Plymouth Roadrunner

Illustrated with over 1000 full-color, specially-commissioned photographs detailing every aspect of these spectacular and fascinating cars

Includes comprehensive specification panels giving detailed technical and performance information

Describes the design and engineering modifications of each vehicle

My Personal Review:
Hi,
for me as foreign euopean customer this book is a really good understanding a detailed pictured book..In Germany we don't have really good books about the famous US-Cars..So i can really recommend the book for people who wants a detailed description about the cars history, technical data and a lots of really nice pictures. For me 5 stars:-)
