While Shepherds Watch Their Flocks by ThD

Refreshing Book On Leadership

The realities and rewards of leadership are brought to life through this illuminating and insightful look at the ancient image of shepherds. Experience this wondrous opportunity to think biblically about your calling to serve Jesus Christ and the expectations that come with being a shepherd leader, the compassionate and courageous commitment to provide for, protect, and guide those under your care. Take this forty day journey and experience a life changing encounter with the Divine Shepherd. Become a shepherd after God's own heart by rediscovering true biblical leadership.

My Personal Review:
I received this book as a gift, and since then bought it as a gift for another colleague in ministry. It is one of the most soothing, pastoral, and revealing treatments of Biblical scriptures that make reference to sheep and shepherds that I have ever read. There are lots of photos of life with contemporary shepherds in the Holy Land and lots of stories, too. Even the paper stock used in publication is soothing (I'm a tactile person).
